MEMORANDUM OF UNDERSTANDING (MOU)

MEMORANDUM OF UNDERSTANDING (MOU)

between

**Pasifika Communities University
(PCU)**

and

**The Secretariat of the Pacific Regional Environment Programme
(SPREP)**

(together, "the Parties")

PCU is a regional university, formerly the Pacific Theological College or PTC. It was launched in April 2025 as a university with a history of over 50 years' experience in theological education. Besides its theological education portfolio, the new university has now added two learning portfolios – School of Ecological and Resilience Development, and the School of Pasifika Philosophies, Education and Sciences. Central to its vision of 'whole of life' education is its 'community-based' learning and research.

SPREP is a regional, intergovernmental organisation comprising 26 members consisting of 21 Pacific Island Countries and Territories and five developed countries with direct interests in the Pacific region. The purposes of SPREP are to promote co-operation in the Pacific region and to provide assistance in order to protect and improve its environment and to ensure sustainable development for present and future generations.

Whereas SPREP and PCU have mutual interests in relation to the protection of the environment and developing and strengthening systems, institutions, organisations and individuals concerned with environmental protection in the Pacific region.

The Parties have reached the following understandings:

1. Objectives

1. The main objective of this Memorandum of Understanding (MOU) is to provide a framework of co-operation between SPREP and PCU.
2. Within this framework the Parties will consult in an effort to collaborate on the activities they identify as requiring implementation.

2. Collaborative Activities

1. The Parties agree, to the extent possible, but without limitation, to:
 - a) Consult each other on policy matters of mutual concern.

- b) Exchange information on developments and current activities in relation to the environment.
 - c) Extend to each other standing invitations to be represented by observers at appropriate meetings, including the annual SPREP Meeting and to co-sponsor relevant meetings.
 - d) Collaborate and support awareness-raising efforts in relation to the environment.
 - e) Collaborate on the implementation of global, regional and national priorities in relation to the environment.
 - f) Collaborate and support capacity-building initiatives relation to the environment.
 - g) Development - partnership in research and developing of the potential Traditional Knowledge Framework for the region.
 - h) Educational and knowledge sharing - partnership on the philosophies course, climate change projects, conferences and workshops, etc.
 - i) Capacity building - PCU to develop training package for training of SPREP staff and policy framing on Pacific philosophies and reframing public policies and strategies.
 - j) Leadership development - partnership through the Regional Institute for Leadership Development (RILED) of PCU, and secondment of staff and sharing of resources.
 - k)** Research - collaboration on publications of articles, reports, data collection, etc.
 - l) Keep respective memberships informed of co-operative activities undertaken pursuant to this MOU.
2. The above list is not exhaustive and should not be taken to exclude or replace other forms of cooperation between the Parties on other areas of mutual interest.
 3. The Parties' cooperation and collaboration in the above areas and on activities agreed to between the Parties shall be subject to the respective mandate, objectives, functions, policies and procedures of the Parties.
 4. The Parties will develop a joint Work Plan which will guide their engagement and implementation of agreed activities of collaboration. The Work Plan will be attached to the MOU in the Annexes and will constitute an integral thereof. The Work Plan will be jointly reviewed on a regular basis as determined by the Parties. Amendments to the work plan will be made as an outcome of the regular meetings between the Parties.

3. Mechanisms for coordination and review

1. The Parties shall hold regular bilateral meetings on matters of common interest, in accordance with an agenda agreed to in advance by the Parties, for the purpose of developing and monitoring collaborative activities, projects and programmes. Such meetings shall take place twice a year (i.e. middle of the year and end of the year) with one of these meetings to be a high level meeting. The objectives of the meetings are to:
 - a) Discuss technical and operational issues related to furthering the objectives of this MoU;
 - b) Provide overall strategic guidance for the implementation of this MoU;
 - c) Develop a joint Work Plan to support the implementation of agreed areas of collaboration;
 - d) Monitor the progress in the implementation of the MoU and exchange views on the lessons learned;
 - e) Review progress of work undertaken by parties in the priority areas of cooperation mentioned in Article 2 above and agree to amend the Work Plan as deemed appropriate;
 - f) Organize round table group meetings jointly for the common goals and objectives; and

- g) Hold an annual high level meeting between the Executive Heads and their Deputies to review the work undertaken by parties as well as between Focal points for the priority areas
2. Within the context defined above, further bilateral meetings at desk-to-desk and at expert level shall be encouraged as deemed necessary by both Parties for the implementation of joint activities, projects and programmes in specific areas, countries and regions.
3. To implement activities, projects and programmes in the agreed priority areas, the Parties shall execute separate formal agreements appropriate for the implementation of each activity.

4. Acknowledgement, Use of Institutional Emblems, and Publication

1. The Parties shall take appropriate action to acknowledge each Party's contributions to any activities under this MOU in all outputs, in any information given to the press or media, in notifications and reports to the donors or beneficiaries, as well as on their public websites, professional, and social networks.
2. Any use of emblems of each Party in documentation related to cooperation will be in accord with the current policies of such Party concerning such usages.
3. This MOU and any information related to it may be disclosed to the public by either Party in accordance with that Party's disclosure policy.

5. Confidentiality

1. Each Party shall keep in strict confidence all Confidential Information obtained from or disclosed by the disclosing Party pursuant to or in connection with this MOU and shall not disclose or permit its representatives to disclose such information to any third party, unless such disclosure is mutually agreed by the Parties or is otherwise required in accordance with the Partner's Disclosure Policy.
2. Where the Parties are required to disclose Confidential Information by law or pursuant to a judicial order, the Parties agree to provide each other with prompt written notice so that they will have an opportunity to obtain a protective order or take such other appropriate action to assert their privileges and immunities.
3. Each Party shall take all reasonable precautions to ensure that this MOU and/or the information contained herein shall not be disclosed to any non-affiliated third parties, unless otherwise agreed to in writing between the Parties.
4. "Confidential Information" means all information identified as confidential or proprietary by the disclosing Party or that ought reasonably under the circumstances to be treated as confidential or proprietary.

6. Integrity, Ethics, Environmentally and Socially Sustainable Practice

1. The Parties recognize their mutual commitments to ensure integrity and ethics in all its operations and expect all staff, consultants, contractors or other partners or representatives working with either Party or in any of the activities under or connected to the MOU to promote and adhere to the highest ethical standards.
2. Each Party undertake to comply with and ensure that all aspects of the activities under this MOU are carried out in accordance with their respective policies. The Parties undertake to take all necessary action to prevent and detect such activities prohibited under the Policy within its
